

February 16, 2022

On behalf of the Board of Trustees, faculty and staff of the High Meadows Graduate School of Teaching and Learning, I am announcing that the Graduate School is actively seeking a partnership with another institution of higher education to best fulfill our mission and vision. We will cease academic operations on June 30, 2022 and are working closely with current teacher candidates to support them in completing their program of study and receive their degree.

High Meadows' leadership has been in regular communication with the Massachusetts Department of Higher Education to ensure that our closure complies with Board of Higher Education regulations. We will continue to share updates on our progress with members of our community and keep stakeholders informed as information is available.

Yours sincerely,

Deborah Hirsch, Ed.D.  
President
